

New Zealand Traveller Declaration

Air New Zealand wishes to advise, from 1 April 2022, all passengers travelling to New Zealand are required to complete the new 'New Zealand Traveller Declaration' (NZTD), replacing the current Nau Mai Ra form.

The NZTD is an online system that collects travellers Covid-19 health-related information. The NZTD will allow travellers to upload their travel documents online including vaccination certificate, pre-departure test and travel history.

Points to note:

- All travellers who have a completed Nau Mai Ra declaration form for travel after 31 March 2022, will receive an email from MBIE requesting they complete a NZTD.
- Both Nau Mai Ra and NZTD forms will be accepted for travel up to and including 14 April 2022.
- The NZTD declaration can be started up to 28 days before departure to New Zealand and must be completed before check in.

Travellers will need the following information to complete the NZTD declaration:

- Passport details
- Flight information
- Proof of vaccination, if required
- Travel history for 14 days prior to arriving in New Zealand
- Contact details in New Zealand
- Emergency contact details
- Proof of a pre-departure test, unless exempt.
- Please check the New Zealand Government [Covid-19](#) website for the most up to date information on testing and entry requirements.

If the travellers NZTD meets all requirements a 'Traveller Pass' will be issued for airline staff to site prior to check in at the airport, the Traveller Pass will also need to be shown to Customs staff upon arrival into New Zealand. The Traveller pass can be printed out or saved on a mobile device.

The NZTD can be found here travellerdeclaration.govt.nz. It is recommended your customers allow plenty of time to complete the NZTD as it may take around 30 minutes per person.

A NZTD fact sheet is also available on www.airnzagent.com.sg/
